Martin Luther King Jr. Drive to close for 5 days in North Chicago

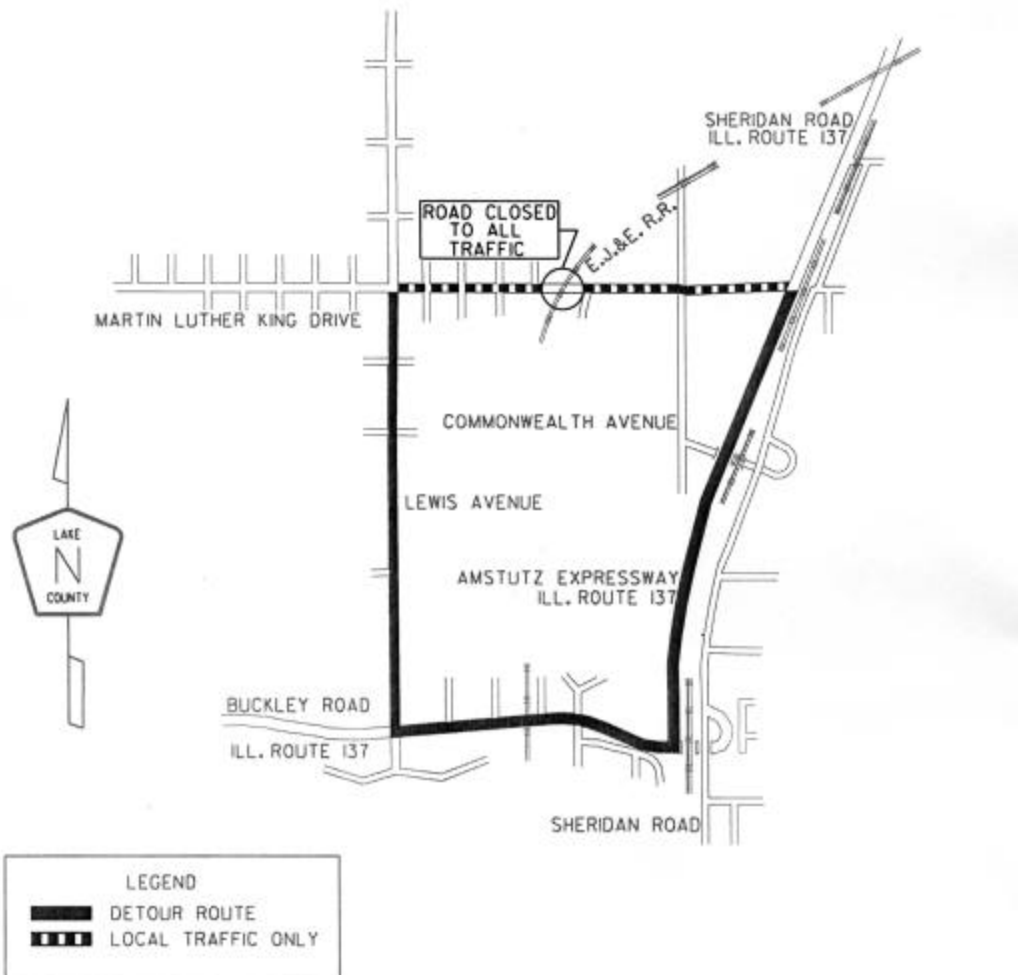

NORTH CHICAGO, IL - The Lake County Division of Transportation will close Martin Luther King Jr. Drive to thru traffic from Lewis Avenue to Sheridan Road in the City of North Chicago for approximately 5 days, starting Monday, October 6, 2003. This road closure is necessary to allow the Elgin, Joliet and Eastern Railroad to install a new rubber railroad crossing on Martin Luther King Jr. Drive. Local traffic will be allowed from Lewis Avenue to the barricaded railroad construction site and from the railroad construction site to Sheridan Road. The railroad crossing will be closed to all traffic.

The detour route for eastbound traffic will be Lewis Avenue, to Buckley Road, to Sheridan Road as shown on the enclosed map.
